

Dear Parents and Guardians,

As the summer break approaches, we want to ensure that our students continue to grow and retain their math skills during this period. To support this goal, we have prepared a Math Summer Packet for students entering the 3rd grade.

This packet includes a variety of activities designed to reinforce key math concepts that your child has learned over the past year, as well as to introduce some new ideas that they will encounter in the coming school year.

**Contents of the Packet:**

- Addition and Subtraction Review
- Multiplication and Division Practice
- Word Problems
- Fractions
- Geometry Basics

**Tips for Success:**

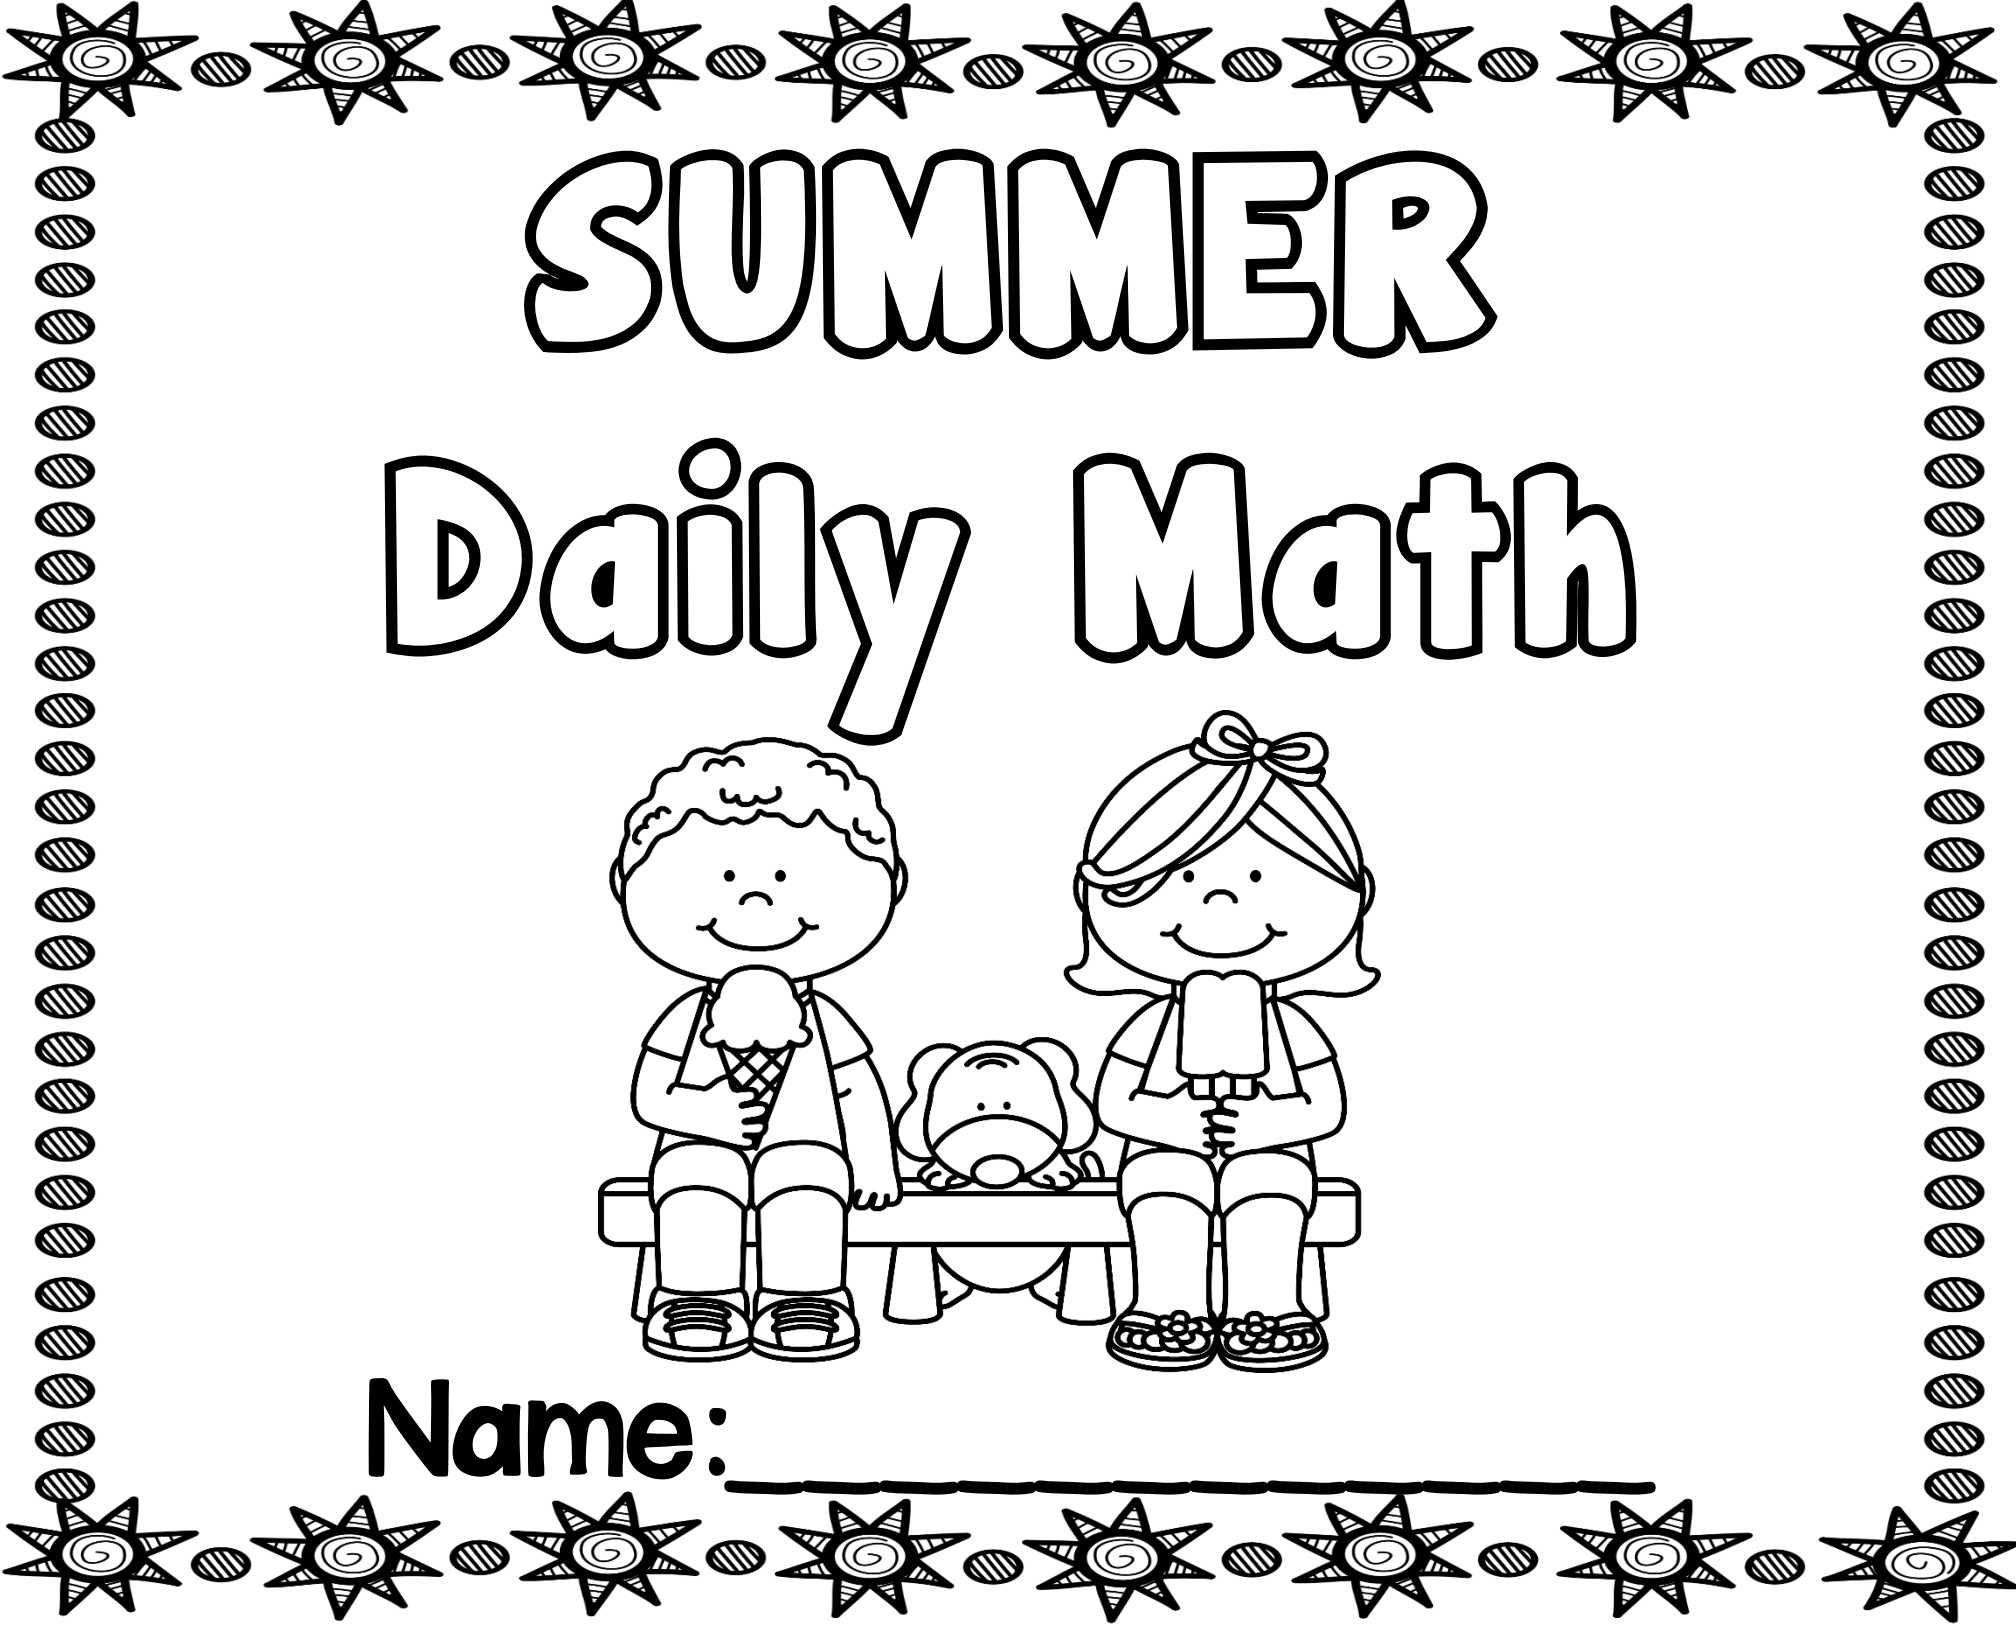

- Set a regular time each day or week for your child to work on the packet.
- Encourage your child to approach the activities with a positive attitude and see them as fun challenges.
- Celebrate your child's efforts and progress, no matter how small.

To help our students stay on track and continue developing their math skills, we recommend dedicating just **30 minutes a week to iReady** over the summer break. This engaging online program is tailored to your child's learning level, providing personalized lessons that reinforce what they've learned and introduce new concepts. Consistent practice with iReady can help prevent learning loss and ensure that your child is ready for the challenges of the upcoming school year. If your child will be a new student at Holy Family in September, he or she will not have login access to the iReady site and will not be required to do these weekly assignments.

We wish you a wonderful summer filled with fun, relaxation, and learning.

Warm regards,

Miss Murray

# SUMMER Daily Math #42

## Measurement

Measure the 2 lines to the nearest inch. What is the sum?

\_\_\_\_\_

\_\_\_\_\_

What is the sum? \_\_\_\_\_

## Comparing Numbers

Use <, >, =

335 ○ 533	963 ○ 739
618 ○ 816	495 ○ 594

## Half past 6

Draw the hands.

\_\_\_\_\_ : \_\_\_\_\_

## Estimation

Complete the problem, then write the estimation.

$\begin{array}{r} 88 \\ + 52 \\ \hline \end{array}$	$+ \underline{\quad}$
---	-----------------------

## 3-D Shapes ~ Fill in the Chart.

Shape	Sides	Vertices	Edges

## How Much Money?

\_\_\_\_\_ ¢

## 100 LESS, 100 MORE

	259	
	845	
	514	
	925	

## Missing Addend

$$46 + \square = 78$$

work space

## Add.

$$\begin{array}{r} 424 \\ + 876 \\ \hline \end{array}$$

$$\begin{array}{r} 378 \\ + 543 \\ \hline \end{array}$$

# SUMMER Daily Math #49

**Place Value** ~ Make the smallest and largest number using all 3 digits.

DIGITS	LEAST NUMBER	GREATEST NUMBER
6,1,5		
4,8,3		
2,0,6		

**Mental Math**  $- 400$   $+ 20$

647	
512	
963	
741	

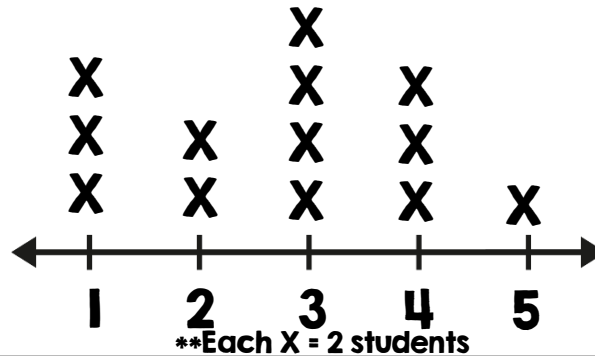

535	
288	
473	
186	

## 3 Digit Subtraction

Rewrite the subtraction problem.  
Then subtract.

$$645 - 428$$

## Number of Fruits

**Line Plot** ~ Answer the questions by using the data from the line plot.

1. How many students like 3 fruits? \_\_\_\_\_
2. How many students were surveyed in all?  
\_\_\_\_\_
3. How many students only like 1 fruit? \_\_\_\_\_

## Shapes ~ Copy the shape.

## Word Problem

Each flower has 8 petals. I picked 10 flowers. How many petals are there in all?

- (A) 60
- (B) 81
- (C) 80
- (D) 65

## Comparing Fractions

Write  $<$ ,  $>$ , or  $=$  in the box.

Name: \_\_\_\_\_

# SUMMER Daily Math #50

Fractions ~ Color  $\frac{2}{6}$  of the balls below.

## Money

I have 3 dollars, 2 quarters and 2 dimes. I gave 40 cents to my friend. How much money do I have left?

**Number Word**  
Write the number word for

**712**

\_\_\_\_\_

-----

\_\_\_\_\_

-----

\_\_\_\_\_

**Balance the Equation.** Write the numbers to make 2 equations equal.

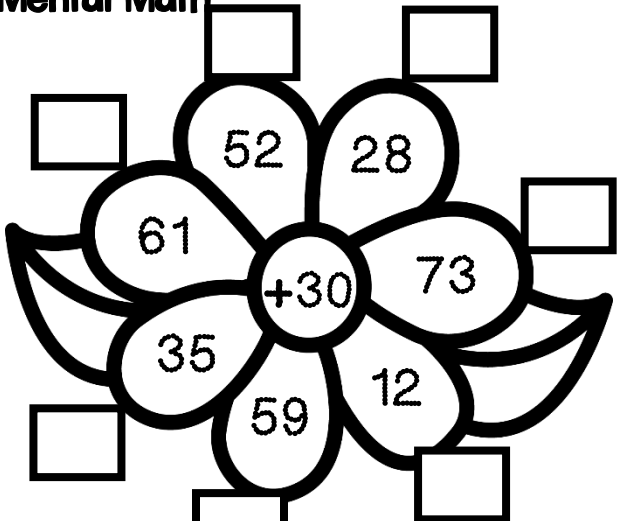

## Bar Graph

Use the data to fill in the chart below.

Favorite Music	Total
Country	15
Pop	30
Jazz	25
Rock	40

## Mental Math

## Symmetry

Circle the figures below that show correct lines of symmetry.
